

### **List of the Books published for the last five year**

1. J. T. Puthur, O. P. Dhanekher (2021). *In: Bioenergy Crops: A Sustainable Means of Phytoremediation*, Taylor and Francis group, LLC/ CRC Press. (Accepted and in press).
2. Yusuf, A. & Rajesh Kumar, T. (2020). *Phylogeny of Curcuma spp. using morphological and molecular markers*. LAP LAMBERT Academic Publishing, 152 pp.
3. Pramod, C. & Pradeep, A.K. (2020). *A HILLOCK OF BIODIVERSITY: Ecology and Flora of Madayippara A South Indian Lateritic Plateau*. Indian Association for Angiosperm Taxonomy, Department of Botany, Calicut University.
4. Reshmi C and John E. Thoppil. (2020). *Bioprospecting of Strobilanthes virendrakumarana Venu & P. Daniel*. Lap Lambert publications.
5. Sheethal S Kumar and John E. Thoppil. (2020). *Cytotoxic potential and phytochemical profiling of Andrographis atropurpurea (Dennst.) Alston.*, Lap Lambert publications.
6. Ramya Sree P R. and J. E. Thoppil. (2019). *Exploration of Memecylon randerianum S.M. & A.R. Almeida*, Lap Lambert publications.
7. Aswathi P and John E. Thoppil. (2019). *Cytotoxicity and phytochemical analyses in Dumbcane (Dieffenbachia)*, Lap Lambert publications
8. Neethu, G. Pillai. & Harilal, C.C. (2018). *Extent and diversity of Kerala mangroves*. Beau Bassin 71504, Mauritius: LAP LAMBERT Academic Publishing. ISBN: 978-613-9-97546-4.
9. Prajitha V. & Thoppil, J. E. (2018) *Advances in functional food for human health*.
10. Prajitha V. & Thoppil, J. E. *Crops of Kerala – An overview* (2018)
11. Prajitha V. & Thoppil, J. E. (2018) *Cytological and morphological consequences of synthetic food colourants*, Lap Lambert publications
12. Soumya P. and Sunojkumar P. (2018), *Clerodendrum-Rothea-Volkameria Complex (Lamiaceae) in Southern Western Ghats: A Taxonomic approach*, LAP LAMBERT, Academic publishing, Mauritius, ISBN-10 : 6135843850, ISBN-13 : 978-6135843859.
13. Sunojkumar P. and K. V. Rinshy (2018), *Taxonomic studies on the genus Salvia L (Lamiaceae) in India*, LAP LAMBERT, Academic publishing, Mauritius, ISBN-10: 6133996668, ISBN-13 : 978-6133996663.
14. Latha, K.P.D. & Manimohan, P. (2017). *Inocybes of Kerala*. SporePrint Books, Calicut. 181 pp.
15. Shahina, P.M. & Nampy, S. (2017) *Gentians of South India*. Centre for Research in Indigenous Knowledge, Science & Culture (CRIKSC), Kozhikode

16. Sreejith, P.E & Sabu M. (2017) *EDIBLE BANANAS OF SOUTH INDIA: Taxonomy & Phytochemistry*. Indian Association for Angiosperm Taxonomy, Department of Botany, Calicut University
17. Antony, A.A. & Nampy, S. (2016). *Murdannia Royle (Commelinaceae) of India*. Centre for Research in Indigenous Knowledge, Science & Culture (CRIKSC), Kozhikode.
18. Sandhya V. N. & Thoppil, J. E. (2016). *Isodon coetsa: Genotoxic consequences & essential oil profile*. Lap Lambert publications
