University of Delhi

Topic: Natures ecofriendly green industry

On the 14th of January 2022, the Department of Botany at the University of Calicut hosted a one-day National Seminar on the topic "*Natures ecofriendly green industry*" as part of the Frontier lecture series. Prof. (Dr.) P. Pardha Saradhi led the seminar. Professor Paradha Saradhi is a botany delignate who is the first to receive a JSPS fellowship. He is a faculty in the Department of Environmental Studies, University of Delhi.

The speaker emphasized the importance of plants in our daily lives; he further said that plants, particularly chlorophyll, are the first industry that is highly beneficial and necessary for human life. The main topic of the discussion was that living in harmony with nature is the only way to survive. A total of 200 students and faculties from various institutes actively participated in this event.
