

Hands on training on Plant DNA Barcoding

Three days' training on Plant DNA Barcoding was conducted on 17-19th January 2019 at Inter University Centre for Plant Biotechnology, Department of Botany which was organized by Dr. A. Yusuf. Program was inaugurated by Prof. Santhosh Nampy, Head, Department of Botany. Thirteen faculty members and research scholars from various universities of South India participated in the program. Registration fee was Rs.3000/head and the program aided in inculcating the molecular techniques in DNA barcoding and phylogenetic analysis of plant samples. Certificates were issued to all the participants at the end of the program. Active participation of all the participants in the interactive session of last day made the training program a great success.
